Alexandria, VA 22313-1450

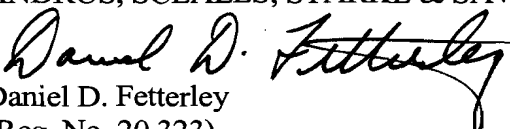

Sir:

Attached to this Information Disclosure Statement is a copy of the Search Report in the corresponding European Patent Application 05100737.5, corresponding to published European Patent Application 1,564,539, along with three references cited in the European Search Report and not currently of record in this U.S. patent application. The remaining references cited in the European Search Report are of record in this U.S. patent application. The references cited in the attached Form 1449 are discussed and distinguished in the accompanying amendment.

Consideration of these references is respectfully requested.

Respectfully submitted,

ANDRUS, SCEALES, STARKE & SAWALL, LLP
